SUBJECT: ACKNOWLEDGMENT OF CORRESPONDENCE
(NRC Form 313 Dated 8/27/04)

Dear Nestor Corella:

In response to your request, we have completed the initial processing, which is an administrative review of your application for a(n):

New License Amendment Termination

No Administrative deficiencies were identified during this initial review. However, it should be noted that a technical review may identify omissions in the submitted information.

Your application for a new NRC license did not include NRC Form 531, taxpayer identification number, which is enclosed. Please fill out NRC Form 531, and follow the directions printed on the form.

It appears that your request is routine (see 1-2 below, as applicable).

1. New and amendment actions are normally processed within 90 days, unless we find major deficiencies, or policy issues requiring central program office assistance.
2. Termination actions are normally processed within 90 days, unless confirmatory surveys following decontamination/decommissioning activities are involved.

We will try to complete your request as soon as practicable. Any correspondence about this request should reference the control number(s). Please direct any questions concerning your request to the Materials Licensing Branch at (630) 829-9887.
