Mr. E. William Brach  
Director  
Spent Fuel Project Office  
Office Of Nuclear Material Safety and Safeguards  
U.S. Nuclear Regulatory Commission  
Washington, D.C. 20555-0001

Subject: Transnuclear Model No. TN-RAM  
Certificate of Compliance No. 9233  
Request for Renewal

Dear Mr. Brach:

Transnuclear, Inc. requests renewal of Certificate of Compliance No. 9233, Rev 6. The current Certificate expires on January 31, 2005. Transnuclear has reviewed the SAR and found it to be complete and current.

If you have any questions, please contact me.

Sincerely,

Michael Mason  
Chief Engineer
