RE: Amendment to Radioactive Materials License No. 37-21012-01 (Pittsburgh
Cardiovascular Institute)

Dear LAT:

Pittsburgh Cardiovascular Institute wishes to amend its Radioactive License number 37-21012-01. The amendments requested are to satisfy new Highmark BC & BS credentialing requirements for physicians providing nuclear imaging services to Highmark Keystone Health Plan West member subscribers. Specifically, the guidelines require that;

- A. The organization seeking credentialing with Highmark must have the name on the application match exactly with the name listed on the Radioactive Materials License.
- B. Each practice address where testing is performed with radioactive isotopes must be listed on the NRC license.

To comply with Highmark's new credentialing guidelines aforementioned in item A, please change the licensee on License number 37-21012-01 from "Pittsburgh Cardiovascular Institute" to "Oliver W. Caminos, M.D., dba Pittsburgh Cardiovascular Institute, dba Med Health Services". The amendment in the licensee is to more accurately demark the legal organization associated with license. The organization, Oliver W. Caminos, M.D., is a sole proprietorship with established DBA's (Pittsburgh Cardiovascular Institute and Med Health Services) for insurance credentialing purposes. Please be advised that this change is not because of a bankruptcy or a change in ownership. This change is being requested because the licensee listed currently on the license is fictitious and does not match the organization name that is re-credentialing itself with Highmark.

To comply with Highmark's new credentialing guideline aforementioned in item B, please add in condition 10 of license number 37-21012-01 the following locations as temporary place of use job sites:

1. 330 East Eighth Avenue, Homestead, PA, 15120
2. 254 East High Street, Waynesburg, PA 15370
3. 5247 Brownsville Road, Pittsburgh, PA 15236

136115

NMSS/RGNI MATERIALS-002

4. Route 268, Box 50, Cowansville, PA 16218
5. 13370 Route 30, North Huntingdon, PA 15642
6. 830 Route 819 South, Mt. Pleasant, PA 15666
7. 300 Westgate Drive, Suite 101, Kittanning, PA 16201
8. 710 Fourth Avenue, Ford City, PA 16226
9. 700 Washington Road, Pittsburgh, PA 15228
10. 1308 Fifth Avenue, Coraopolis, PA 15108
11. 2792 Robinson Boulevard, Pittsburgh, PA 15235
12. 422 Main Street, Irwin, PA 15642
13. 907 Washington Avenue, Carnegie, PA 15106
14. 1049 Unity Center Road, Pittsburgh, PA 15239
15. 1312 Federal Street, Pittsburgh, PA 15212

Please expedite the aforementioned amendments to license number 37-21012-01. Without the amendments mentioned in this letter, Oliver W. Caminos, M.D., dba Med Health Service, dba Pittsburgh Cardiovascular Institute will no longer be credentialed with Highmark Keystone Health Plan West as a provider for nuclear imaging services, greatly reducing our company's ability to compete in the medical services marketplace.

If you have any other questions or require additional clarification, please do not hesitate to contact Freddy Caminos by telephone at 412.498.6995. Otherwise, the amended Radioactive Materials License may be faxed to 412.373.6861. Thank you in advance for your expedited help in this matter.

Sincerely,

Oliver W. Caminos, M.D.
