Person Called	Glen Wingert	License Number	37-12771-01	Phone Number	(717)267-7184
Facility	Chambersburg Hospital	Docket Number	03003167	Mail Control Number	135926
Subject	Deletion of users				
Synopsis	Informed Mr. Wingert that I had noticed that Dr. Dawson had been deleted by Amendment 45. Dr. Gerald Croteau had previously been requested but not added. Dr. J. Russell Croteau has been added. It is not clear that the Croteau's are distinct persons. Mr. Wingert will investigate and have the amendment request re-submitted.

Person Called	Glen Wingert	License Number	37-12771-01	Phone Number	(717)267-7184
Facility	Chambersburg Hospital	Docket Number	03003167	Mail Control Number	135926

Subject	Edward Lampton, M.D.
Synopsis	Mr. Wingert decided that the hospital preferred that Dr. Lampton do sentinel node identifications under the supervision of authorized users at the hospital.
Action Taken or Required	The license amendment and cover letter will be written to reflect the above.

Person Called	Edward Lampton, M.D.	License Number	37-12771-01	Phone Number	(717)267-7184
Facility	Chambersburg Hospital	Docket Number	030-03167	Mail Control Number	135926
Subject	Addition of Dr. Lampton to license				
Synopsis	According to Dr. Lampton, after he was board certified in 1978, he worked in nuclear medicine at Washington County Hospital Hospital in Hagerstown, MD for 4 years. Then he was switched to general radiology and did no nuclear medicine for 20 years. From 7/1/02-6/30/03 he did a fellowship at Johns Hopkins performing radionuclide injections for sentinel node identification. He is not now listed on a radioactive materials license.
