Kelly

We're planning to begin the telcon with the Chem Safety questions on Tuesday (12/14) at 9 AM, then proceed with Fire protection, if time permits. If necessary, we will complete the fire portion later at 3 PM. The bridge line is [REDACTED], and the pass code is [REDACTED] for both times.

In addition, the Human Factors telcon is scheduled for Wednesday (12/15) at 2 PM. There is no bridgeline for this discussion.

Talk to you soon,
Sharon
