**SUBJECT: Project Manager for Mixed Oxide Fresh Fuel Package (MFFP) Application,
Docket No. 71-9295, TAC No. L23747**

Dear Mr. Rahimi:

As we have discussed via telephone in the past few weeks, Packaging Technology has made a change in assignment for the MFFP Project Manager. Starting in October, I replaced Mr. Fred Yapuncich in this role. As such, please direct all future correspondence on this application to my attention at the same address.

We are looking forward to receiving the RAI from you in the next few weeks. You may contact me at 678-362-7110 or at clindner@pactec-tn.com if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read 'C. Lindner', written over a horizontal line.
