RE: NRC License Number: 37-28653-01 - Cardiac Imaging Center
Amendment Application

Dear License Reviewer:

Please amend our byproduct material license to reflect the following changes:

- ▶ We request the following institution be added to our license as a "location of use":

Cardiology Consultants of Philadelphia
1809-13 Oregon Avenue
Philadelphia, PA 19145

A diagram of the facility and nuclear medicine department have been enclosed within Attachment A. Please refer to this section for details.

In regards to nuclear medicine operations we will adhere to the conditions established in our license application and supporting documentation.
