Tom,

We considered the licensee's November 1, 2004 letter (enclosing an undated NRC Form 313) to be nothing more than a notification. We drafted a letter acknowledging the change of certifying official; however, in light of your email, we will void our action (Mail Control #135954).

Since it appears you have already told the Army to correspond directly with HQ, I do not plan to communicate with the Army any further regarding this matter.

Thanks,  
jim
