The purpose of this e-mail is to informally notify you of the rescheduled public scoping meeting for the Environmental Impact Statement (EIS) that the NRC is going to prepare for the American Centrifuge Plant proposed by USEC Inc. to be built in Piketon Ohio. Originally, this meeting was to be held on November 15, 2004 in Piketon. It is now going to be held on January 18, 2005 at the Zahns Corner Middle School (2379 Schuster Road) in Piketon Ohio from 7:00 PM to 9:45 PM. The NRC formally announced the meeting yesterday. It is listed on the NRC website under <http://www.nrc.gov/public-involve/public-meetings/index.cfm>.
