JANX
ATTN JOHN A NEWLAND
8500 E MICHIGAN AVENUE
PARMA MI 49269

Expiration Date: September 30, 2006
NRC License No.: 21-16560-01
Authorized Use: Industrial Radiography

Mr. Newland:

JANX, is granted reciprocal recognition of the above stated license for conducting industrial radiography activities using radiation sources in the state of Texas, pursuant to Title 25 Texas Administrative Code (TAC) §289.252(ee). This reciprocal recognition will expire on the date listed above, unless application for renewal has been received and approved.

In addition to the requirements and restrictions of the United States Nuclear Regulatory Commission license referenced above, the following conditions are imposed on your activities as a general licensee while conducting work in the state of Texas:

1. The licensee shall comply with the provisions (as amended) of 25 TAC §289.201, §289.202, §289.203, §289.204, §255.205, §289.251, §289.252, §289.255 and §289.257.
2. The licensee shall have in their possession at all times when conducting work in Texas, and make available for review by the Agency staff upon request, the following:
 - a) a copy of the licensee's radioactive material license;
 - b) a copy of the licensee's operating and emergency procedures and all correspondence and items referenced in the license;
 - c) a copy of this letter granting the licensee reciprocal recognition of their out-of-state license;
 - d) a copy of 25 TAC §289.201, §289.202 and §289.255;
 - e) a copy of the appropriate BRC Form 252-3 notifying the Agency of the licensee's intent to work in Texas; and
 - f) a copy of the most recent Reciprocal Radiographer Trainer Notification.
3. The licensee shall provide the Agency with copies of any amendments to the license and any procedural changes pertaining to an amendment.

You are required to notify this Bureau by the filing of a BRC Form 252-3 at least 3 days prior to each entry into Texas. This can be faxed to: Deputy Director, Radioactive Materials Inspection and Enforcement at (512) 834-6654.

If at any time you establish a permanent office, or site in Texas, you are required to apply for a Texas Radioactive Material License.

If we may be of further assistance to you, let us know.

Sincerely,

Michael L. Dunn, Chief
Industrial Licensing Program
Radiation Safety Licensing Branch
