

SYNOPSIS

The U.S. Nuclear Regulatory Commission, Office of Investigations, Region II initiated this investigation on May 21, 2004, to determine if a former security officer with The Wackenhut Corporation (TWC) at the Florida Power and Light Company's (FPL) St. Lucie Nuclear Plant was the subject of employment discrimination by TWC management for raising safety concerns.

Based on the evidence developed during this investigation, the allegation that a former security officer was the subject of employment discrimination for reporting safety concerns to management was not substantiated.
