I may have given you the wrong room - the meeting will be in O-13 B-2, not O-11 B-2, starting at 9:00. For those of you who will also be attending the RES interface meeting, that starts at 10:00 in O-11 B-2, I'm hoping my meeting won't run much past 10:00, and Naeem can hold the OpManAx RES discussion off till later in his meeting, scheduled to run to 11:30.
