

~~PREDECISIONAL INFORMATION~~  
Rel.

**From:** Ray Gallucci *NRR*  
**To:** Richard Dudley *NRR*  
**Date:** 3/30/04 4:15PM  
**Subject:** Draft Tech Bases for OpManAx

Attached is the latest and greatest with all comments from the tech group through COB Tuesday. I've also attached the rewording of the Geary rule language to match the tech group's recommendations (attached).

I'll be at internal meetings the rest of the week, so anyone who has changes should forward them directly to you, copied to me.
