Summary:			
<p>I talked with Sharon Long about submitting a form 313A as a way for Kanta Patel to show continuing education since Kanta Patel's 200 didactic training is more than 7 years old. Continuing education could not be shown by any other method since continuing education information was sent to ARRT in an effort to re-certify Ms. Patel as a medical technician.</p>			
Action Required/Taken: Sharon Long agreed to fill out form 313A. I am waiting to receive that information.
