RE: Name Change

Ms. Henderson,

Medi-Physics, Inc., a Delaware corporation, maintains the following NRC Material Licenses in Region I:

29-28341-02MD Medi-Physics, Inc., One Naylor Place, Livingston, NJ 07039
 37-27830-20MD Medi-Physics, Inc., 3520 Progress Dr., Suite A, Bensalem, PA 19020

Please allow this letter to serve as Notice that Medi-Physics, Inc. intends to trade in the facilities associated with their licenses as Nycomed Amersham Imaging. Medi-Physics, Inc. will continue to be the legal corporate name of the owner of these licenses. However, the businesses associated with these licensed facilities will change their invoices, signage, stationery and labels of its products to the trading name Nycomed Amersham Imaging.

For each NRC licensed entity, there is no change in ownership or its licensed activities at each of the sites, as indicated above. The names and phone numbers previously indicated on the above named material licenses will remain the same. There are no changes in personnel named in the licensed programs. The radiation safety officer, all authorized users, and any other persons identified in approved licenses as responsible for radiation safety or use of licensed material will remain the same.

The conduct each licensed program will be maintained current and in accordance with the statements, representations and procedures contained in all current licensing documents of Medi-Physic, Inc., including any enclosures, and will include the accountability for recordkeeping pursuant to the conditions of each site's license.

The licensed activities for Medi-Physics, Inc., dba Nycomed Amersham Imaging, will continue in accordance with the commitments made in each site's respective licensed program.

Should you have additional questions, please feel free to contact me at 800-323-0332, ext 379.

Sincerely,

Andrew Williams
