**RE: Amendment to Materials License 29-28341-02MD**

Dr. Lodhi;

Please allow this letter to serve as notice that Medi+Physics, Inc., dba Nycomed Amersham will be renovating the facility associated with the above referenced license. The address will remain the same.

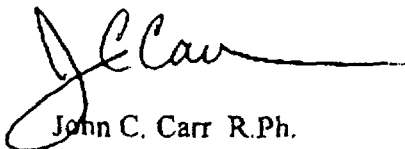

Medi+Physics intends to complete the renovations to this address on or about 15 November 1998. The conduct of this licensed program will be maintained current and in accordance with the statements and procedures listed in the current licensing documents. A description of the proposed site is included as Attachment A.

Also, we would like Item 10.4, Calibration of Dose Calibrators, in the application dated 28 October 1994 to read as follows:

Medi+Physics, Inc. has adopted the dose calibrator program discussed in Appendix E of Draft Regulatory Guide DG-0006.

Should you have additional questions please feel free to contact me at 1-973-533-9109

Sincerely,

John C. Carr R.Ph.
