SUBJECT: **Update of Significance Determination Process Risk-Informed Inspection Notebook for Fort Calhoun Station**

As requested by the NRC in the Reference 2 letter, Omaha Public Power District (OPPD) transmits via this letter plant-specific information to update the Significance Determination Process Risk-Informed Inspection Notebook for Fort Calhoun Station. The information is contained on the enclosed compact disc, entitled "Response to Data Request for Fort Calhoun Risk-informed Inspection Notebook (December 6, 2004)." The file "Data Request.pdf" should be opened first, since it contains the text of the response and references to the other files contained on the disc.

As stated in the September 2, 2004 request for information, the NRC has made a preliminary determination, in accordance with the provisions of 10 CFR 2.390 of Title 10 of the Code of Federal Regulations, that the information requested and the SDP notebooks may relate to a plant's physical protection. In accordance with this determination, the enclosed compact disc containing this information has been marked as "proprietary information" and should be withheld from public disclosure.

If you have any questions or require additional information, please contact Alan Hackerott at (402) 533-7276.

Sincerely,

D. J. Bannister
Manager – Fort Calhoun Station
