Mr. Ralph Butler, Director
Research Reactor Center
University of Missouri-Columbia
Research Park
Columbia, MO 65211

SUBJECT: UNIVERSITY OF MISSOURI AT COLUMBIA—ANNUAL REPORT OF SAFETY
CONSCIOUS WORK ENVIRONMENT SURVEY AND ASSESSMENT

Dear Mr. Butler:

Thank you for your response of December 29, 2004, to our confirmatory order of December 19, 2003, requiring, among other actions, the University of Missouri to perform an employee cultural survey developed by an independent consultant or entity and report the results to NRC. Your response included the "University of Missouri Culture Survey Annual Report." We have reviewed your first annual report and found that it meets the conditions of the confirmatory order. In addition, we noted that your report indicated that you will be performing a second survey in 2005. We will review your detailed assessment, the actions you are taking to address the trends noted by the report, and the results of the 2005 survey during future inspections.

We appreciate your cooperation in this matter.

Sincerely,

/RA/

David B. Matthews, Director
Division of Regulatory Improvement Programs
Office of Nuclear Reactor Regulation

Docket No. 50-186
