Subject: Requested items (2) of additional information concerning application for License, Control No. 135756

Dear Ms. Ullrich:

This letter is in response to your letter dated October 25, 2004. Please find enclosed the following additional information:

1. Updated resume for Dipak Patel.
2. "We (Laboratory Corporation of America) will survey the facility and maintain contamination levels in accordance with the survey frequencies and contamination levels published in Appendix Q to NUREG – 1556, Volume 7, dated December 1999."

Please do not hesitate to contact me 908-526-2400 ext. 2690, if additional information or documentation is required.

Sincerely,

Michael J. Mahoney, MD  
Radiation Safety Officer

cc: Maggie Meltzer, Licensing Regulatory Coordinator
