**Subject:** terminating license

Mr. Sanfillipo worked at Helvetia Time Corporation since 2000. They are now out of business, and a new company has taken over the office space. Mr. Sanfillipo is the only person employed by the new company in the office space, who was formerly employed by Helvetia. He has no idea what happened to any of the records etc associated with the license.

Mr. Sanfillipo has already received the termination of the -02E license from Tony Kirkwood. He sent Tony verification that all watches etc were sold prior to the company going out of business.

Mark Smart, the person listed as RSO on the license, has not worked for Helvetia for about 1.5 to 2 years. His replacement was Jack Lenihan, the CFO of Helvetia. Mr. Sanfillipo does not know where he is at this time.

The license had no requirements to perform surveys, because they did no repairs. Mr. Sanfillipo said he would send us a letter, documenting that all incoming watches were received in their final packages, and were re-shipped without opening the packages. He said that they did not keep stock on hand, that they ordered shipments as needed, and re-shipped the items out quickly. I provided him with the address for the letter.

**Action Required/Taken:** Discuss termination of this license with BCs . Copy of telecon to LAT for ADAMS package.
