<b>Subject:</b> Request for inventory		
<b>Summary:</b>  I called Mr. Hudgins to explain that while trying to revise his license, I noticed that some of the devices listed are X-Ray Fluorescence Analyzers and that his license does not currently authorize them as such. I asked Mr. Hudgins to fax me a complete inventory and we can start from there. Once I have a complete inventory I can then correct the program codes and license.		
<b>Action Required/Taken:</b> Wait for fax.
