Dear Jenny Johansen,

Subject: License # 44-30394-01

Enclosed is an application (form 313) to revise my existing license. This application is necessary because as of January 1, 2005 am changing the organization of my company. Currently my business is run as a sole proprietor dba Beck Engineering. I am incorporating this year and will be doing business as Beck Engineering, P.C.

I will own all the shares of this corporation. No other changes to the way Beck Engineering does business will take place.

I hope that with this application and letter of explanation I will be able to have my license amended to list Beck Engineering, P.C. as the licensee.

If you have any questions regarding this license amendment application, please give me a call.

Respectfully.

Matthew H. Beck, P.E. RSO, Owner
