Dear Sir

Subject: Deinstallation of Guidant Galileo® III Radiotherapy System

Guidant hereby confirms that the Guidant Galileo® III Radiotherapy System was de-installed from the Mercy Hospital on September 27, 2004. This de-installation was performed by Mr. David Glessner of Nucletron a subcontractor trained and qualified to perform this function. The de-installation activities included the disassembly of the Source Delivery Unit (head and base) and the packaging of these items for return to Guidant Corporation.

Guidant further confirms that all Guidant P-32 sources and source cartridges have been returned by Mercy Hospital to Guidant Corporation at our Pearland facility for disposal of the sources and refurbishment of the source cartridges.

If you have any additional questions or need any additional information, please contact me. I can be reached at 713 218 9353. Thank you.

Sincerely,

Martha Poston-Brown
