REPORT ON BEHALF OF  
NUCLEAR INFORMATION AND RESOURCE SERVICE  
AND PUBLIC CITIZEN  
AS TO WITNESS AVAILABILITY FOR HEARING

Pursuant to the Order of the Atomic Safety and Licensing Board dated December 23, 2004, Nuclear Information and Resource Service and Public Citizen ("NIRS/PC"), Intervenors herein, provide the following information as to witness availability for the hearing scheduled to take place in Hobbs, New Mexico, during the dates February 7 through 11 and February 14 through 16, 2005:

1. Dr. Arjun Makhijani can be present at the hearing on February 7 and 8 and on February 14, 15, or 16. On February 10 he is scheduled to be at a meeting in Washington, D.C. and would need to travel on February 9 or 11, were he to travel to New Mexico around the February 10 date.
2. Charles Komanoff has reserved February 14 through 16 for the hearing. He is also available at other dates set aside for the hearing. If possible, he would prefer to be in New York City on February 10 for child care reasons; this would require travel on February 9.

3. Michael F. Sheehan is available on February 7 through 16. He is counsel in a trial which may be scheduled in that time frame, and it would support his commitment to the forthcoming hearing if the dates of his testimony were made definite.
4. George Rice is available on February 7 through 16. He is a member of a board that is scheduled to meet in San Antonio on February 8 and should attend that meeting if possible.

Respectfully submitted,
