

## SYNOPSIS

The U.S. Nuclear Regulatory Commission (NRC), Office of Investigations (OI), Region II (RII), initiated this investigation on June 23, 2004, to determine if a former training instructor employed at the Florida Power and Light's (FP&L) Turkey Point Nuclear Plant (Turkey Point) was the subject of employment discrimination by his management for reporting safety concerns.

Based on the evidence developed during this investigation, the allegation that a former Turkey Point training instructor was the subject of employment discrimination for reporting safety concerns was not substantiated.
