Dear Robert:

You are most likely aware of the Federal Advisory Board for Governmentwide Employee Relocation. As part of this effort, Corporate Relocation Services®, along with the other federal supply schedule contractors, has been asked to provide the Board with home sale cost data for fiscal year 2004. This letter requests your permission to release this data.

Please be assured that all data will be fully protected and anonymous. Each relocation company will submit its portfolio of activity to an independent accounting firm, who will aggregate the numbers before submitting the final report to the Office of Governmentwide Policy. There is no possible way for anyone to identify the agency or the employee submitted. The Governmentwide Relocation Advisory Board (G.R.A.B.) will use this information in its efforts to recommend improvements for better management of government relocation.

Since the Board has requested submissions by January 30, we will plan on submitting the data, with your permission, unless we hear from you prior to that date.

Wishing you a happy new year!

Sincerely,

Arthur H. Stoddard, CRP  
Vice President
