I need the following information to update your license:

1. Possession limit for 10 CFR 35.300 materials (therapy). Licensee's usually possess less than 1 curie of these materials.
2. Manufacturer and model numbers for all of the 10 CFR 35.400 materials (brachytherapy) you currently possess or you may wish to possess in the future.
3. Just to clarify, the Cancer Center is at the same physical address as the hospital (4320 Seminary Road)?

Once I get all of the above information I will complete your amendment and get the new license to you. If you have any questions, feel free to give me a call at 610-337-5272.

Have a nice day!
