Mr. Lodhi:

Per our conversation today, please find attached a report stating the transfer of source serial number KV045 from Canada to ALCOA KAMA in New Jersey. Ramsis Barsoum of ALCOA KAMA should be able to provide you with the documentation regarding the shipment of this device. If not, Ron of Monserco will be happy to send you the documentation. He can be reached at 905-450-3507.
