Docket No.72-11

Rancho Seco Independent Spent Fuel Storage Installation

License No. SMN-2510

**STATUS OF COMMITMENTS REGARDING ADDITIONAL SECURITY
MEASURES FOR ACCESS AUTHORIZATION AT RANCHO SECO ISFSI**

Attention: Randy Hall

In SMUD letter MPC&D 04-074, dated September 7, 2004, we provided you with our response to the NRC Order issued on August 18, 2004, regarding additional security measures associated with access authorization at the Rancho Seco Independent Spent Fuel Storage Installation (ISFSI). In our response we stated that we have begun implementation of the requirements and will complete implementation within 180 days from the date of the Order.

The purpose of this letter is to inform you that we have completed implementation of the additional security measures. We have issued guidance to all security officers regarding access authorization requirements and have revised the appropriate procedures. If you, or members of your staff, have questions requiring additional information or clarification, please contact Bob Jones at (916) 732-4843.

Sincerely,

Steve Redeker
Manager, Plant Closure & Decommissioning
