J. William Leonard, Director  
Information Security Oversight Office  
National Archives and Records Administration  
700 Pennsylvania Avenue, NW  
Washington, DC 20408

Dear Mr. Leonard:

I am responding to your letter of December 21, 2004, concerning the request for comment on the Revised Draft ISOO Directive No. 1, section 2001.34, Referral Standard for Executive Order 12958, as Amended. We appreciate the opportunity to again consider the process for referring to other agencies for review and consideration classified National Security Information (NSI) that is eligible for 25 year automatic declassification.

Since the automatic declassification process began in 1995, the process by which the U.S. Nuclear Regulatory Commission (NRC) has referred NSI to other agencies for its review has been consistent with the referral standard outlined in the draft. Therefore, NRC has no specific comment.

Should you wish additional information, please contact A. Lynn Silvius of my staff, at 301-415-2214.

Sincerely,

*/RA/*
