Subject: nuclear power plant inspections

DOCKETED
USNRC

January 21, 2005 (10:35 am)

To: Secretary
U.S. Nuclear Regulatory Commission
Washington, DC 20555-0001
ATTN: Rulemakings and Adjudications Staff

OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

I was alarmed to learn that the NRC's new security initiative does not include onsite inspections and submission of documents supporting security upgrades from nuclear power plants.

I have many friends and family living close to nuclear power plants, and am concerned that the next terrorist attack may kill them.

Please allow us to sleep better at night by doing full onsite inspections.

Regards,
Miriam Blatt, PhD
