OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

Hello,

I am writing today to encourage the NRC to do all it can to improve security at ALL nuclear power plants in the USA. I am a supporter of nuclear power plants but I also want them to be as safe as possible for surrounding residents and nearby cities. Please let our representatives in Congress know of any security needs and let the public know what needs to be done by them to provide support for such initiatives.

Thanks,
