OFFICE OF SECRETARY
RULEMAKINGS AND
ADJUDICATIONS STAFF

Secretary, U.S. Nuclear Regulatory Commission

Dear Secretary,
I am writing in support of the 2004 petition by the "Committee to Bridge the Gap" requesting that the Design Basis Threat regulations for protecting nuclear reactors from terrorist attack be upgraded. Please do your best to protect our nation from the truly catastrophic threat posed by under-protected nuclear energy sites.

Thank you very much for your consideration!

Sincerely,
John Dziak
