In the Matter of
SAFETY LIGHT CORPORATION
Bloomsburg, Pennsylvania Site
Docket Nos. 30-5980-EA; 30-5982-EA; ASLBP No.05-835-01-EA

Dear Administrative Judges:

This letter is in reference to Safety Light Corporation's (SLC) letter dated January 18, 2005, forwarding the Board a letter from Communications & Power Industries (CPI) dated January 11, 2005. SLC's letter asserts that the CPI letter "appears to be relevant to the effect of license suspension on public safety." The Staff does not consider the matter raised in the letter to be either probative of, or relevant to, the issues raised in this proceeding.

Sincerely,

/RA/

Michael A. Woods
Counsel for NRC Staff
