Control No.: 136232

Shashi: we received your confirmation of receipt from Radiological Health Svcs., Inc. for the Omni-Stanacor pacemaker, however there is still the discrepancy from your last license renewal stating, at that time, that 13 pacemakers were still being followed, and the subsequent reports of 4 being explanted, which brings the total to 9. Please respond as to the disposition of these or clarification as to the error in accounting.
