Subject: Recommending that the North Anna mtg be cancelled due to the snow-covered roads in Louisa County

Dear Mike:

Since my earlier telephone call to you at 11:00 a.m today.when I requested that today's North Anna public hearing be postponed (because of significant snow accumulation on the roads in Louisa), I have now just heard that the Louisa Public Schools have closed.

To me, this is an indication that the roads may be getting worse and that precautionary measures need to be taken -- in this case, that the meeting should be postponed so that no one risks having an accident on icy, snow-covered roads.

As I mentioned in our prior telephone conversation, the driving conditions on I-95 may be fine, but they are often very different from the conditions on back, curvy roads in rural Virginia. Why put the public's safety at risk, when a different day could be chosen -- preferably in a season that does not have snow ?

Yours for a clean, safe environment for all,
Abhaya
