OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

Attn. Rulemakings and Adjudications Staff.

I am writing to express my concern about the NRC's neglect of the threat posed by an attack on a nuclear facility in the U.S. As is evident by the 9-11-01 attack this is a real threat and nuclear facilities are a ripe target. It is my understanding that we pay our tax dollars to support the NRC whose job it is to ensure that the risk of a nuclear catastrophe beyond imagination can be prevented.

I encourage you to take the recommendations of the Committee to Bridge the Gap and others seriously and implement safe guards immediately. Both your descendants and mine depend on this.

Thank You for your attention, please respond
