Docket 50-331
License No. DPR-49

Intent to Pursue License Renewal for the Duane Arnold Energy Center

NRC Regulatory Issue Summary (RIS) 2003-02, "Importance of Giving NRC Advance Notice of Intent to Pursue License Renewal," requested licensees to provide voluntary submission of plans related to renewal of operating licenses. Nuclear Management Company, LLC (NMC) anticipates that an application for renewal of the Duane Arnold Energy Center (DAEC) Operating License will be submitted in the fourth quarter of 2008. The DAEC Operating License expires at midnight, February 21, 2014.

This notice of intent does not indicate that a final decision on the subject has been made. This notice is being provided solely to assist the NRC in future budgeting and allocation of resources.

This letter contains no new commitments and no revisions to existing commitments.
