Subject: Amendment to Halliburton Energy Services Application for Specific License to Export Radioactive Sources to Libya

Reference: Case Number XB001307, Docket Number 11005510

Dear Ms. Schuyler-Hayes

Halliburton Energy Services requests that the application for a Specific License to export radioactive sources to Libya be amended to remove part number 100133084, "sleeve-calibration-Thorium from the submitted application and replace this material with part number 101251920, [REDACTED] Ra-226, which is an alternative calibration source for our tools.

If you should have any questions please do not hesitate to call or write at the above number or address.

Sincerely,

Dwaine Brown, RRPT
Global Lead Radiation Safety Officer
