To Whom It May Concern:

As of December 29, 2004 I have completed the requirements for nuclear certification. The didactic training was done at Ohio State University, in Columbus OH, where 214 hours of classes were completed on October 1, 2004. The certificate is enclosed with this letter.

A total of 500 hours of work experience has been completed, 460 hours were done at the Eastern Isotopes site in Somerset, NJ under the direction of Jamie Perry, 40 hours were done at the Ohio State University in Columbus, OH under the direction of George Hinkle.

John Chen has achieved a level of competency to sufficiently function individually as an authorized nuclear pharmacist.

Sincerely,

John Chen, RPh
