Dear Mr. Courtemanche,

The purpose of this letter is to confirm that Infilco Degremont possesses Hewlett-Packard Model 6890 Gas Chromatograph Serial # K4139 under a general license, as documented herein (Attachment 1).

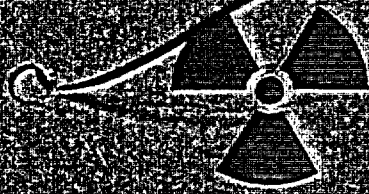

As this is the only device possessed that is subject to U.S. NRC regulations, it is respectfully requested that the previously held Part 30 specific license be terminated.

Please contact me if any further action is required.

Regards,

Robert F. Kelly, Ph.D.
