SUBJECT: ACKNOWLEDGMENT OF RECEIPT OF ISA SUMMARY FRAMATOME ANP,
INC., LYNCHBURG, MOUNT ATHOS ROAD FACILITY(TAC NO. L31853)

Dear Mr. Holman:

We have received your ISA Summary for the Mount Athos road facility transmitted by letter dated October 15, 2004. Your submission has been assigned TAC No. L31853. Please reference this number in any future correspondence associated with this request.

We have completed our preliminary review of the submission and have identified no administrative omissions or deficiencies. The application has been accepted for formal review. Please note that the complete technical review may identify omissions in the submitted information or technical issues that require additional information.

Based on our acceptance review and projection of current review schedules, we anticipate completing our review by the end of October 2005. This date could change depending on the findings of our technical review, urgent assignments, or other factors. We will promptly communicate any significant changes to this schedule. I can be reached at (301) 415-4025 or by e-mail at rgl@nrc.gov.

In addition, a copy of your submittal has been forwarded to the License Fee and Accounts Receivable Branch, Office of the Chief Financial Officer, who will contact you separately if the appropriate license fee has not been submitted for your request, or for billing if your request is subject to full cost fee recovery.

Please note that on October 25, 2004, the NRC suspended public access to ADAMS, and initiated an additional security review of publicly available documents to ensure that potentially sensitive information is removed from the ADAMS database accessible through the NRC's

web site. Interested members of the public may obtain copies of the referenced documents for review and/or copying by contacting the Public Document Room pending resumption of public access to ADAMS. The NRC Public Document Room is located at NRC Headquarters in Rockville, MD, and can be contacted at 800-397-4209 or 301-415-4737 or pdr@nrc.gov.

Sincerely,

/RA/

Robert Lukes, Project Manager
Fuel Cycle Facilities Branch
Division of Fuel Cycle Safety
and Safeguards
Office of Nuclear Material Safety
and Safeguards

Docket No.: 70-1201
License No.: SNM-1168
