From:Thomas ThompsonTo:Internet:kent.lambert@drexel.eduDate:12/16/04 3:19PMSubject:Graduate Hospital renewal license number 37-28359-01

I have completed a preliminary review and noted that you are requesting continued authorization for use of the Novoste device but have not provided an authorized medical physicist (AMP). If you plan to use the Novoste device for treatments you need to have an AMP. Please clarify your intentions.

You may respond by facsimile to 610 337 5269 and refer to MC135424.
