Mail Control No.: N/A Inspection No.: N/A	License No.: 37-12607-02	Docket No.: 030-06291
Person Called: Wayne R. Fishburn, Radiation Safety Officer	Licensee: Supelco, Inc.	Telephone No.: 814-359-5742
Person Calling: Steven Courtemanche/(610) 337-5075		
Subject: Non-receipt of renewal application or request to terminate the license.		
<p><u>Summary:</u> I left a message with Mr. Fishburn's voice-mail for him to get back in touch with me.</p> <p>11:15 Mr. Fishburn returned my phone call. He stated that he had a note on his desk to process the application and send it to the NRC by February 9. I reminded Mr. Fishburn that 10 CFR 30.36(a)(1) requires that a request to renew or terminate the license be received by the Commission 30 days prior to the expiration date. If he should not submit an application by the time the license expires, then he must place all of his licensed material in secure storage until such time as a new license is issued. There is a fee for a new license and no fee for a renewal application. Mr. Fishburn indicated that he would start work on the application and would submit it prior to the expiration date. I thanked him for his attention to this matter.</p>		
Action Required/Taken: Place into ADAMS.
