Subject: Non-receipt of renewal application or request to terminate the license.		
<p><u>Summary:</u> I left a message for Ms. Sasnett to get back in touch with me concerning the non-receipt of a renewal application.</p> <p>11:00 I spoke with Ms. Sasnett. She stated that the application had been provided to her supervisor last week for signature. However, he went on vacation without signing it. I suggested that she draft a letter requesting that the license be renewed pending their completion of the application. They would submit the application once the document was signed by a member of senior management. She agreed with this approach.</p>
