Subject: Fwd: Comment (131) of Dave Lochbaum regarding Draft Criteria on Manual Actions to Achieve Post-Fire Safe Shutdown. Document Date: 01/09/2004

I received these UCS comments a few days ago, and drafted the attached response that will become input for the interim enforcement rulemaking package as part of the public comment response (i.e., there will be no response directly to UCS). Review, if you wish, and provide any comments.
