Subject: Manual Action Communication Plan

Dick,

Attached is a copy of the most recent manual actions communication plan. Ray is going to work with Tarsha to get a concurrence package going. The important thing is to ensure we are being consistent w/ the answers provided in the GT response. Please note that this is a living document and can be updated as needed. If you have changes or recommendations, those comments should be fed directly to Ray so that he can incorporate them as needed.

Thanks,

Tanya
