XCOM Application

Dear Ms. Owens

Westinghouse would like to apply for a US NRC XCOM, or Components License for the export of Top and Bottom Nozzles to Jedinstvo-PNO d.o.o, located in Croatia. Jedinstvo manufactured these nozzles under contract for Westinghouse for our use in nuclear fuel assemblies we manufacture at our Columbia, SC facility. Westinghouse wishes to return to Jedinstvo any nozzles which need to be reworked or repaired so as to meet our quality standards. Once repaired the nozzles would be returned to Westinghouse for use in our fuel assemblies.

A check for \$1,900 is enclosed for the license application fee. Please contact me if you have any questions on this matter.

Very truly yours,

Edward F. McDonough
