

## MEETING NOTICE

- Title: NRC DECOMMISSIONING WORKSHOP
- Organization: Division of Waste Management and Environmental Protection (DWMEP)  
Office of Nuclear Material Safety and Safeguards  
U.S. Nuclear Regulatory Commission (NRC)
- Dates and Times: April 20 and 21, 2005                      8:00 a.m. - 5:00 p.m.
- Location: The Shady Grove Center  
The Universities at Shady Grove  
9630 Gudelsky Drive  
Rockville, MD
- Purpose: The purpose of this workshop is:
1. Inform stakeholders of NRC's Integrated Decommissioning Improvement Plan (IDIP), including regulatory and program management improvements.
  2. Discuss the NRC staff development of guidance for issues resulting from the License Termination Rule Analysis.
  3. Solicit feedback and suggestions from stakeholders on guidance, decommissioning lessons learned, and other planned improvements.
- Participants: DMWEP staff, other NRC staff, Advisory Committee on Nuclear Waste members and staff, licensees, industry representatives, other Federal Agencies, Agreement and non-Agreement State representatives, and other stakeholders are expected to attend. The workshop will be open to the public and there is no registration fee.
- Meeting Category: This is a **Category 3 Meeting**. Public participation is actively sought for this workshop to fully engage the public and stakeholders in a discussion of regulatory issues. The NRC's Policy Statement, "Enhancing Public Participation in NRC Meetings," effective May 28, 2002, applies to this meeting. The policy statement may be found on the NRC website, [www.nrc.gov](http://www.nrc.gov).
- The NRC provides reasonable accommodations to individuals with disabilities where appropriate. If special equipment or accommodations are needed to attend or present information at the workshop, the need should be brought to the attention of Mr. Derek Widmayer no later than March 28, 2005, to provide the NRC staff adequate notice to determine whether the request can be accommodated.
