DOCKET NUMBER  
PETITION RULE PART 73-12  
(69FR64690)

I am startled to read that the NRC is letting the nuclear industry determine its safety standards against terrorists. This is exactly the same behavior on the part of the FAA that led to the lapse in security that led to 9/11.

DOCKETED  
USNRC

February 3, 2005 (11:53am)

I urge you to make the NRC's #1 policy priority to get the proper funding and political will to protect nuclear power plants from terrorism.

OFFICE OF SECRETARY  
RULEMAKINGS AND  
ADJUDICATIONS STAFF

With all warnings the NRC has had, there will be no excuse for any lapses.

Robert Munson
